around the lunch table as a family.**

- ▶ Name some instances in our culture right now of hatred.
- ▶ Why is it so difficult to love others who don't live, think, or act like you?
- ▶ What does hatred do to the heart of the person who hates others?
- ▶ Do you have hatred in your heart for anybody?
- ▶ What does it mean you are His beloved? Why is this so important for how we treat others?
- ▶ What happens when followers of Jesus love others like Jesus loved us?
